Critical thinking ● ● ●

I am an adept Full Stack developer, Graphic Designer and CRM administrator with experience in Website administration. I work well with a team and enjoy the work I am given, especially if its challenging.

Experience

● Team Member

EDGE Restraunts Nov [REDACTED] - Dec [REDACTED]

This was a short term position for the purpose of saving money for the winter holidays, I was in charge of frying the chips, preparing drinks and carrying out cleaning duties.

● Graphic Design

The Lower Kersal Community Group Feb [REDACTED] - Mar [REDACTED]

A short-term position I took up for the purpose of creating a magazine for my local community group. I designed assets for the magazine, provided input on articles and provided my expertise in content layout.

● CRM and Site Admin

The Training Brokers Ltd Apr [REDACTED] - Jul [REDACTED]

In this position I was to aid the existing staff in the monitoring of students and contacts within the CRM, I was also left with the trying task of managing the site and optimising it, I improved load times by over 50%.

Language

Python TypeScript HTML5
